

## **FSM Voucher Information**

Dear parent/carer - if your child is eligible for FSM, then you are entitled to a £15 a week food voucher during the COVID19 pandemic. The scheme started 6th April, however Edenred (Government voucher system) have experienced a high number of orders from schools and there are delays in processing the orders. The good news is that you should have now received your first voucher from Edenred. For more information please click the following links:-
