Dear Parent/Carer

**Parental Update Covid 19
Wider Opening Year 10 and 12**

As you know we have remained open since 23rd March for our Keyworker and Vulnerable children and whilst it has been great having those students in school every day, it's not been the same without the rest of our students.

Last week it was very different as we also welcomed Year 10 and 12 students back into school. 48% of Year 10 returned for face-to-face provision and our focus was on student welfare. In line with government guidance we have a quarter of the year group in each day. This week Year 10 will access English, Maths and Science lessons to compliment their remote learning. Our Year 12 students were welcomed back in a similar fashion and will access their timetabled blocks this week.

Our Keyworker and vulnerable provision continues and we are working in a number of 'bubbles'. It was amazing to see so many students back in school last week. All students have respected the new measures in place and adapted well to a new way of learning. Please find our wider opening parent, carer and student guide attached with more information about our phased reopening.

We continue our remote learning for Year 7, 8 and 9 students and we are impressed with the continued engagement of these students. We will be trialling voice over lessons on a number of PowerPoints in the coming weeks. We welcome your feedback and we will continue to evolve our remote learning provision.

As you will appreciate, we have planned our provisions carefully and will be reviewing them regularly. We remain determined to do all that we can for our students in partnership with our families. If you have any questions please contact us via school reception 01274 776200 or email us at info@hansonacademy.org.uk or studentquestions@hansonacademy.org.uk

Please remember: if you or your child feels ill and you want to know what to do next, please use NHS 111. Thank you again for your continued support. Please take care and stay safe.

Yours faithfully
