

Dear Parent/Carer

Your child's learning: PSHCE Half Term 5

This term we will continue exploring some themes related to RSE within a classroom setting. We would like parents and carers to be aware of this and be confident of the purpose and suitability of this work.

We have therefore adapted our PSHCE curriculum this Half term to address some key themes. It is vital that we support your child access their entitlement to RSE, safeguarding their welfare and protecting them from unhealthy relationships. Click here to see adapted PSHCE Curriculum plan -
