

14th May 2021

Dear Parent and Carers,

Covid-19 Update: Face masks in school

I am writing to let you know that from Monday 17 May 2021, in line with Step 3 of the Government roadmap, face coverings will no longer be recommended for secondary school students or staff in classrooms. If staff or students choose to continue to wear a face covering in classrooms, they of course can.

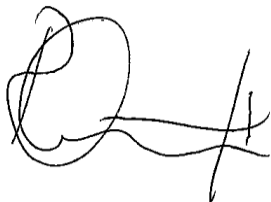

As a precautionary measure, the Director of Public Health at Bradford Council recommends that students in secondary schools continue to wear face coverings in corridors and communal areas in schools. We think this is a very sensible approach and will therefore continue to ask that our staff and students follow this guidance and wear face coverings in corridors and the communal areas of school.

Face covering regulations remain the same from Monday 17 May 2021 outside of school in public indoor places, including public and school transport.

Our absolute priority throughout this pandemic has been the safety of all those in our care. We have been delighted with the support received from staff, students and families in relation to all aspects of our Risk Assessment and expectations. We know that you will continue to provide that support in the weeks ahead and we are incredibly grateful.

If you have any questions please do not hesitate to contact us via school reception or email studentquestions@hansonacademy.org.uk

Yours sincerely

Mr Richard Woods
Headteacher
