

Hanson

EST. 1897

In light of recent government announcements and the extension of restrictions, it is with regret we cannot host this year's Transition Day and evening (scheduled for Wednesday 7th July). We are following guidelines set out by the local authority and are extremely disappointed we will not be able to welcome your child into our school community for the day.

Despite this, we are making extra plans and extending our 'Discovery Sessions' programme to invite our new students to Hanson in their separate Primary school bubbles. All our feeder schools have received invites to join us at Hanson and take part in these discovery sessions. Here, they will be taught by some of our teachers, have lessons in our state-of-the-art classrooms and meet other key support staff. We hope this goes some way to replace the lost transition day/evening. Primaries will be invited to see us in their separate bubbles and follow our robust Covid protocols to ensure both staff and students are kept safe.

Letters and packs will be posted out to parents with details about September dates, uniform, school procedures and lots of other helpful information to prepare each student for September.

Regards

Mr A O'Neill

Director of Transition
