

Yearly Curriculum Mapping – History

Subject Intent – History

The overarching aim of the History department at Hanson is for students to have an understanding of how the past has shaped society both locally (1), nationally (2) and the wider world (3). Students will leave school with a working knowledge of the events that have shaped their lives today (4) and be equipped with the skills to be critical thinkers (5); to understand the narratives of the past (6); to be able to communicate and justify their thinking and to be fully rounded and tolerant citizens (7).
